PURPOSE

The Albany Sports Booster Club is an organization of parents and community members who support the various athletic programs of the Albany School District. The purpose of the organization is to raise funds to support projects and athletic programs in the Albany school district that may otherwise go unfunded.

SCHOLARSHIPS

The Albany Sports Booster gives out two \$300.00 scholarships to a qualifying athlete.

SNACK BAR

The snack bar is run by the Albany Sports Boosters. This is how the funds are raised to support the athletic programs. The various High School athletic teams work various events, to earn money for their athletic team.

MEETINGS

Membership is open to anyone who demonstrates interest in being involved. We meet about 6 times a year. Dates of meetings are determined by the club members through e-mail.
